

Arts Learning Project Grants Funding/Eligibility Scale

If artist/company fees/expenses are between:	You may request up to:
\$1,500 to \$4,000	50% of eligible fees/expenses
\$4,001 to \$6,000	\$2,000
\$6,001 to \$8,000	\$2,500
\$8,001 to \$11,000	\$3,000
<p>In this grants program, the minimum compensation for any artist or consultant is \$40.00 per hour/session. Artists/consultants may set fees higher than this level. For information on Residency Roster artist fees, see the online <i>Roster</i> at www.azarts.gov/residencyroster. For non-<i>Roster</i> artists and consultants, discuss and negotiate their fees and travel-related expenses directly with them. The Commission's matching grants are based on a \$40.00 per hour/session rate. Any fees at a level above this need to be paid by the school/community organization.</p> <p>Also, the Commission strongly recommends artist services be limited to four class-period services per day, or two class-period services and one full performance per day. This assures a quality experience for all participants. Some artists may be willing to provide more services per day because of the flexibility of their artform or their own way of working. This is not to be expected, so be sure to confirm the artists' number of services for each residency day prior to submitting the grant, and include these details in your contract/letter of agreement.</p>
